Norfolk & Western Credit Union Elects

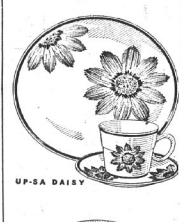

The Norfolk & Western Madison Federal Credit Union held its 17th annual membership meeting Thursday night at the Madison Recreation Center. Election of the 1971 board of directors and credit committee headed the business agenda. Special guests for the evening were State Representative Horace L. Calvo (D-Granite City). He spoke briefly to the group and congratulated the organization on its work in 1970. Elected to the board of directors were John Allen, Harold Christian, Paul W. Hayes, Gilbert Lee and Robert Vaughn. Ralph Peck and Robert Vaughn were elected to the credit committee. Louis Vaughn, president, gave welcoming remarks and presided over the meeting. He announced that on Jan. 4 the credit union acquired \$30,000 share insurance. Reports were given by Robert Vaughn, manager and treasurer; Joseph Summers, credit committee chairman; and Stanley Konecny, supervisory committee chairman. The approximately 200 members attending retired to a buffet dinner in the recreation center at the close of the meeting. The newly elected board of directors will meet Wednesday night to elect the 1971 slate of officers for the credit union.

Reports for Navy Duty

Kenneth Ray Boone, son of Mr. and Mrs. Harvey Boone, 3144 Hill St., has reported for active duty in the U. S. Navy and is presently going through recruit training at the U. S. Naval Recruit Training Center in San Diego, Calif. Upon completion of his recruit training Kenneth will be granted 14 days leave prior to reporting to his next duty station at Service School Command. He enlisted under the provisions of the Navy's Nuclear Power Program and will be trained as a crew member of one of the various nuclear ships now in service. Boone is a graduate of Granite City High School.

Arthur Janura Chairman Of Conservation Board

Arthur Janura, general superintendent of Cook County Forest Preserve District, has been elected chairman of the Illinois Department of Conservation Advisory board at its biennial reorganization meeting. The board, appointed by the governor, counsels Conservation Director Henry R. Barkhausen on departmental activities, policy and problems. Janura has been a board member for the past four years and recently was reappointed for another six years. He succeeded Pekin businessman G. Soldwed to the chair. Soldwed's two-year term has expired. Janura, employed by the county forest preserve district for the past 25 years, holds a degree in forestry from the University of Minnesota and serves on advisory committees for Cook County Air Pollution Board and the Committee on Flood Control in the Chicago Metropolitan Area.

Finances Cause Most Withdrawals at SIU-SW

Thirty-five per cent of all students withdrawing from Southern Illinois University-Southwestern do so because of financial reasons, according to a three-year study by Thomas D. Evans, assistant dean of students. Results of Evans' study have been published in the Journal of the National Association of Student Personnel Administrators. Evans conducted exit interviews with 5,487 students who voluntarily withdrew from classes through 1966 through 1969 to try to establish reasons for the withdrawals and prevent as many as possible. Of the total withdrawals, almost 80 per cent were caused by work conflict, financial problems, illness, military responsibilities and family responsibilities, the study shows. According to Evans, proportionately more part-time students withdrew than full-time students. Student-centered problems, other than finances, accounted for 40.18 per cent of total withdrawals. These problems included illness, family and home responsibilities, personal problems, military service, marriage and lack of interest. Problems centered on the institution accounted for 24.34 percent of all withdrawals. These problems included transfers to other colleges, inability to attend class, class cancellations, schedule conflicts and convenience of the university. Bonnie J. Yancher, former assistant dean at the Southwestern campus, is a co-author of the study.

Former GC Physician Dies in Florida

Dr. Joseph L. Hoernschmeyer, 68, of 435 Fifty-third St., St. Petersburg, Fla., a former Granite City physician, died at 4:45 a.m. Saturday at St. Petersburg General Hospital. He was admitted at the hospital at 1:30 p.m. the previous day after suffering an apparent heart attack at home.

A reserve officer in the United States Army who retired with the rank of lieutenant colonel several years ago, Dr. Hoernschmeyer spent a major part of his medical career as a physician with the Veterans' Administration and the U. S. Army.

For several years, however, he maintained offices here in the Washington Theatre and Schermer buildings as a general practitioner and ear, nose and throat specialist. Dr. Hoernschmeyer entered the Army during World War II and served in New Guinea and other South Pacific areas. Upon discharge from active duty, he returned to Granite City and later served as medical officer for the Veterans' Administration at Jefferson Barracks Hospital, Mo., the VA Regional Office in East St. Louis and at Knoxville, Ia.

The physician and his wife, Mrs. Florence (Lockhart) Hoernschmeyer, who survives, left Granite City 12 years ago when the former accepted a post with the Veterans' Administration Adjunct Board in St. Petersburg. He retired five years ago.

Born in St. Louis, Dr. Hoernschmeyer was reared in Granite City from an early age. He attended Catholic high school in St. Louis and earned his medical degree from St. Louis University School of Medicine. He completed his internship at Alexian Brothers Hospital, St. Louis.

The physician was a former member of St. Joseph Catholic Church here.

Beside his widow, Dr. Hoernschmeyer is survived by a cousin and several nephews and nieces. Funeral arrangements are given in today's obituary column.

AMPHETAMINES!
THE UP DRUGS.

When prescribed by a physician, these stimulants can check fatigue, increase alertness and when carefully supervised can control over-weight.

They are too risky for self-medication. Uncontrolled large dosages cause jitteriness, irritability, unclear speech and tension. Emotions are dulled and proper thinking is impaired. They increase the heart rate and cause sweating, headaches, diarrhea, and loss of appetite.

Slang terms for illegal purchases are "Pep Pills," "Bennies" and "Speed." Injecting Amphetamines for quicker action has caused deaths. The next of these Public Service messages will discuss "Barns" and "Goof Balls."

Merit Scholar Qualifying Registration, Test at GCCHS

Granite City High School students who expect to complete their secondary school requirements and to enter college in 1977 should register between today and Friday to participate in the 1977-78 National Merit Scholarship Program, Principal Lawrence C. McCauley announced today.

The first step for all students who wish to enter the nationwide Merit Scholarship competition is to take the National Merit Scholarship Qualifying Test (NMQST). The test will be given only once during the 1977-78 school year. GCCHS is scheduled to give the NMQST at 9 a.m. Saturday, Feb. 13 in the library.

Taking the NMQST is also the first step for students who wish to participate in the National Merit Scholarship programs administered by the National Merit Scholarship Corporation (NMSC). These programs include the Special Scholarship programs administered by NMSC for business and industrial firms.

Each to Get Handbook

When his NMQST scores are reported, each participating student will receive a handbook to help him understand his scores and compare his test performance with that of other high school students across the country.

The handbook, which contains information about making college choices and financing a college education, is furnished as a part of reporting the student's test results. Other interpretive materials are sent to the school.

Highest scoring students in each state will be named Merit Program Semi-finalists and, if they advance to Finalist standing, they will be eligible for the Merit Scholarship consideration.

In addition to the National Merit Scholarships financed by NMSC, more than 450 business corporations, foundations, colleges, professional associations, unions, trusts, other organizations and individuals offer scholarships through the Merit Program.

About 24,800 students have

won Merit Scholarships in the 15 programs to date. Approximately 2675 new winners of Merit Scholarships entered college this fall.

Interested juniors should register outside Room 102 before or after school all this week. The test fee is \$2, payable when the student registers.

Chase Ends When Auto Jumps Curb

Nine traffic violations and two other charges were filed against Barry L. Hoffman, 25, of 2424 Delmar Ave., by Madison police at 10:40 p.m. Saturday. After a fireman allegedly was discharged in the city and a chase through Madison terminated with Hoffman's auto jumping a curb.

In response to a call that a man was beating a woman at 12th and Madison Avenue, police were enroute to the scene when Hoffman's vehicle was spotted in the 1000 block of Madison Avenue traveling at a high rate of speed.

Officers gave chase following Hoffman to 12th Street where he turned east, crossing several intersections until the auto jumped the curb and blew a tire at 12th Street and McCambridge Avenue.

Police confiscated a revolver containing two spent cartridges and two live shells from a woman passenger in the Hoffman vehicle. The woman, who had hidden the weapon in her clothing, the report stated, was not charged.

Hoffman was booked on charges of discharging a firearm within the city limits; fleeing police officers; speeding; careless driving; disobeying a traffic signal; passing stop sign and disobeying stop signs. He was released on payment of \$100 cash bond and his driver's license.

Motorist Charged; Rider Also Booked

Kenneth R. Lewis, 31 of Collinsville, was booked on a charge of disorderly conduct when he became abusive and began pushing Madison Police Sgt. Ronald Grzywacz after officers halted a car in which Lewis was a passenger at 4 a.m. Sunday, according to police reports.

Police said an auto operated by Tony Ray Taylor, 25, of Valdosta, Ga., was stopped at 17th and State streets, when patrolling officers noticed the driver was speeding and "driving in a reckless manner" at 12th and State streets.

Taylor was charged with speeding and making unnecessary noise with an auto. He was released on \$50 bond. Lewis, booked on a disorderly charge, was released on \$25 cash bond.

Man Arrested on Bridge, Held for State Police

Delbert Neal Winters, 1423 Twenty-second St., was arrested by Venice police at the McKinley Bridge toll booth at 8 p.m. Saturday, in response to a request from Granite City police that Winters be detained for Illinois State troopers.

The 21-year-old Granite City man was being sought by state police in connection with traffic charges and a warrant had been issued Friday for his arrest, authorities said. Winters was a passenger in an auto halted at the toll booth, police said.

Rear-End Collision

While halted for a traffic light at 20th Street and Madison Avenue at 7:20 a.m. Sunday, an auto operated by Mrs. Jessie Cooper, 210 Broadway, Venice, was struck from the rear by a vehicle driven by Michael F. Hirschbeck of St. Louis, who told police he was unable to stop on the slick pavement. Both vehicles were headed south on Madison Avenue.

Aeronautics, Finance Directors Appointed

Governor Ogilvie on Friday named Alan F. Landolt, 45, Virginia, Ill., as state director of aeronautics and C. Austin Montgomery, 53, Springfield, as state director of financial institutions.

Raymond E. Anderson, 52, Galesburg, who served three terms in the Illinois House of Representatives, was appointed as assistant director of aeronautics.

Strikes Car in Rear

An auto operated by Donald W. Morris, 1031 Douglas St., Madison, was struck from the rear by a vehicle operated by Earle H. Boyd, 14 Grenzer Homes, Madison, at 9:30 a.m. yesterday at Market and Waage streets. Police said Morris was halted at a stop sign when the accident occurred.

'Parade of Flags' Again Set May 30

The Disabled American Veterans Chapter and Auxiliary will sponsor the "Parade of Flags" observance on Memorial Day again this year. It was announced today by Cecil Nash, DAV chairman and Mrs. Irene Hoelter, Auxiliary chairman. Flags used in the special ceremony are those from the castles of deceased servicemen. The flags will be displayed in Memorial Park opposite St. Elizabeth Hospital on May 30.

Quadrant residents wishing to have the flag of a deceased serviceman flown in the special parade are asked to contact Mrs. Ray Hoelter, at 877-0220, or Mrs. Joe Heffley, 876-4413, before May 1.

A DAV spokesman said each flag staff, to be furnished for the occasion by the local DAV chapter, will be affixed with a metal plate inscribed with the name, rank and branch of service of the deceased veteran.

"This is a community project and we hope representatives of all local veterans' groups will attend our next planning session," Nash said. The meet-

Jaycees to Honor GCHS All-American At Distinguished Award Ceremony

Mark Mizerski, Granite City High School's All-American, will be honored by the Granite City Jaycees at their Distinguished Service Award "Outstanding Young Educator" banquet Thursday evening, Feb. 18.

David Partney, Jaycee president, this week announced the Warrior's standout lineman will be the special guest of honor at the Jaycees' annual dinner at 6:30 p.m. Feb. 18, in the Rose Bowl restaurant.

The event will be open to the public, with tickets now available at \$5 per person from any Jaycee member. Graham's Book Store, Bellemeor Barber Shop or the Granite City High School athletic department, Ron Benthall, Jaycee project chairman, said today.

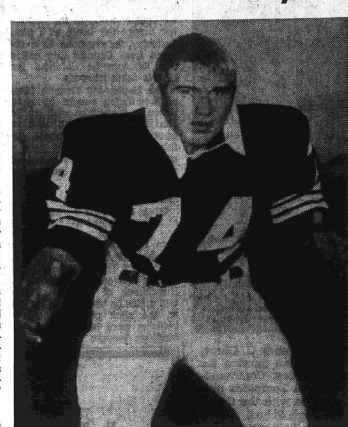

A 6-2 tackle, who collected a majority of the All State and All Regional honors conferred on high school football players at the conclusion of the Warrior's 1970 gridiron season, Mizerski will receive an inscribed plaque from the Jaycees "as the community's most outstanding sports figure of 1970-71," Benthall said.

Recognize Achievements
In addition to the Jaycee award, plans are being made for Mayor Donald Partney to present the high school athlete with keys to the city, the club official said, pointing out the gesture "denotes the esteem in which his achievements are recognized by us all."

The Feb. 18 dinner marks the first time the Jaycee organization has honored an individual, with exception of the winners of the Distinguished Service Award and the Outstanding Young Educator Award, at its annual awards banquet.

Benthall said today the young men's service club has received the names of seven candidates for this year's DSA Award and five nominations for the OYE Award. A panel of judges is to be appointed this week to review qualifications of nominees, he explained.

Individuals, organizations and institutions wishing to submit a candidate's name for either the DSA or OYE awards may

do so prior to midnight Friday, Benthall said.

Nominations should be mailed to the Granite City Jaycees, Post Office Box 3, Granite City, Ill. 62040. Candidates are required to be between the ages of 21 and 35 and reside or work in the Quad-City area.

A three-year letterman at the local high school, Mizerski was named the Most Valuable Player and the Most Valuable Lineman for 1970 on the Warriors' varsity squad.

College Prospects Bright
Mizerski's future plans presently are the focal point of college coaches from most Big Ten and Big Eight conference schools, plus the biggest football power among the independent universities across the country, a spokesman for the GCHS coaching staff said.

The 250-pound lineman definitely is considered one of the brightest college prospects among the crop of 1971 graduates from high schools in the midwestern states. One coach described him as "big, fast and mobile."

Parade Magazine selected the Granite City athlete to the offensive first team of its All-American High School Football Squad, an honor achieved by few area prep school players. Mizerski also was chosen All-Conference Lineman, Defense and Offense, by the Southwest Illinois Conference; First Team, All-Conference East Side Squad; and to the All-Metro First Team.

He also was named to First All-State Teams by the Illinois Prep Sports Special; the Chicago Daily News; Champaign News Gazette; and Rockford

MORE ABOUT \$2,165,234 Levee

Townships extend inside the levee district boundaries.

Housing Authority, County

The district also was paid \$1,877 by the Granite City Housing Authority in lieu of taxes. Former Madison County Treasurer John Maeras made two contributions to the levee district in 1970, one for \$37,317 in a final settlement of 1968 taxes and another of \$50,000 in 1969 taxes.

St. Clair County taxes received by the district last year were distributed by former County Treasurer Maurice Joseph in two payments, one of \$888,450 in 1969 taxes, and one of \$155,180 in a final settlement of 1968 tax collections.

St. Clair does not have township collectors and all tax distributions are made by the county treasurer.

\$60,000 Tax Warrants
The report shows total receipts of \$3,686,885 in the general fund during the 1970 year, but this figure included \$50,000 proceeds from the sale of tax anticipation warrants to the Bank of Columbia, in addition to borrowing from a number of the district's special accounts to bolster the general fund.

Receipts on the income side of the report include, among other items, "temporary loan" of \$54,000 from the bond and interest fund sinking account; a \$36,000 temporary loan from the Illinois Municipal Retirement Fund; another revenue item of \$27,531 described as "transfers" from the general fund retirement fund; and a total of \$457,112 in "interfund transfers" from the First National Bank in Madison.

\$3,758,983 Spending
Although these fund transfers, along with the sale of tax anticipation warrants, helped make up a general fund income of \$3,686,885, expenditures of the general fund account totaled \$3,758,983, or a deficit of \$72,098. The district had a general fund balance of \$8,246 at the beginning of the year, reducing the year-end deficit to \$63,841.

Expenditures from the payroll account for the year amounted to \$580,051 compared to wages and salaries of \$558,700, a net increase in 1970 of \$21,350.

The district paid far less fees to its attorneys during 1970 than it did in 1969. Legal fee payments disclosed in the 1969 annual report published early in 1970 led to a grand jury investigation in St. Clair County that resulted in conviction of the four present members of the levee board on misconduct charges. Those charges also involved the awarding of a contract without competitive bidding.

\$5,500 Paid to Hoban
According to the report, fees paid to attorneys during 1970 included John J. Hoban, Belleville, \$5,500 (paid \$6,000 in 1969); Frank Summerville, St. Louis, \$2,971 (paid \$5,000 in 1969); Harry E. Hartman, Venice, \$2,829 (paid \$2,771 in 1969); John Sprague, Belleville, \$2,689 (paid \$2,946 and \$2,615 in two separate accounts in 1969).

Disbursements listed in the 1970 report also show the district continued its practice of purchasing gasoline and oil at a number of sources instead of operating its own gasoline dispensing unit.

The general fund expenditure list contains payments for gasoline in 17 different instances, all at different service stations, in varying amounts that total \$29,031. Largest of these was payment of \$20,057 to the Triangle Service Station. Other payments varied from \$11.20 to Merritts Service Station to \$1812 to Mobil Oil Co.

Other major expenditures during 1970 included \$160,520 to the Eastgate Construction Co. for repair of two riverfront tunnels. It was the award of this contract that led to indictment of the levee trustees on the charge of failure to call for competitive bids.

Collide in Alley

The autos of Kenneth W. Riddle, Collinsville, and Milton M. Voutoupal, 1213 Iowa St., Madison, collided at 11 a.m. Sunday in an alley behind the Voutoupal home. Riddle was reportedly southbound in the alley and collided with Mrs. Voutoupal's auto, backing into the alley.

Rear of Auto Struck

The rear of an auto driven by Stanley F. Amberger, 2556 Benton St., was struck by a car driven by Timothy F. Soles, 2561 Edison Avenue, who slid on ice at 2:05 p.m. Sunday at 24th Street and Madison Ave.

Mrs. Naomi Maxine Jones, 49, the wife of Dr. E. Gale Jones, a Granite City osteoplastic surgeon, was found dead at 7:35 a.m. Sunday in the garage of her home at 26 Oaklawn Drive. She was pronounced dead at the scene by Madison County Coroner Robert Thomas. An inquest is pending.

Dr. Jones told police he was awakened by one of the couple's four children who was crying. He smelled fumes and checked the garage, where he discovered his wife in the family auto with the engine running and the doors closed.

Mrs. Jones had been in ill health for the past nine years. She was a Granite City resident most of her life and was a member of St. John's United Church of Christ.

In addition to her husband, she is survived by four daughters, Janie, 17 years, Melody, 16, Lesley, 12, and Laurie, eight, all at home; her parents, Leonard P. Lockhart of O'Fallon, Ill., and Mrs. Malvina Patterson of Granite City; two sisters, Mrs. Ornell Shaw, Greenville, Ill., and Mrs. Claudine Harold, Downer Grove, Ill.; and two brothers, Russell Lockhart, Granite City, and William T. Lockhart, St. Louis.

Funeral arrangements are given in today's obituary column.

Musical Group To Perform at Campus Feb. 11-12

Variety is the trademark of the John Biggs Consort which will perform on Southern Illinois University's Southwestern campus at 8 p.m. Thursday and Friday.

The group sings and plays a variety of musical instruments, including medieval, renaissance, baroque and contemporary. The admission-free appearances will be in the Communications Building theater.

Biggs, founder of the group, sings bass and is also well known as a composer. While on a Fulbright grant to Belgium, he conducted the world premier of his Symphony I with the Antwerp Philharmonic Orchestra.

Salli Terri, who sings alto, is Mrs. Biggs in private life. A folk song arranger and recording artist for Capitol, one of her records won a Grammy award. Her voice was featured on the sound tracks of the films, "How the West Was Won" and "The Belles are Ringing."

Play and "Playing to Learn." As a student at the University of California at Los Angeles, he worked with the late composer Arnold Schoenberg.

William Lyon Lee of New York City sings tenor with the consort. He has recorded extensively in Europe and America and has been a member of the Greg Smith Singers, who have appeared twice at the local campus.

Four of the consort members know each other as members of the Roger Wagner Choral.

Levine Will Conduct Symphony Orchestra

James Levine, who is 27 years old, will conduct the St. Louis Symphony Orchestra at Powell Symphony Hall Thursday and Saturday evenings at 8:30.

Since last season, when he led the post of assistant conductor with the Cleveland Orchestra, Levine has guest-conducted most of the major symphony orchestras in America, leaving behind a trail of reviews filled with words like "exuberant," "enthralling," "hair-raising" and "red-blooded."

His program will include Schumann's Symphony No. 4 in D minor, Beethoven's Symphony No. 9, and American composer Benjamin Lees's Concerto for String Quartet and Orchestra.

The latter work will feature the St. Louis String Quartet, making its first appearance as a performing unit with the orchestra. The quartet is composed of principal orchestra players Max Rabinovitch, first violinist; Ronald Patterson, second violinist; Guillermo Perich, violist; and John Sant Ambrogio, cellist.

During the summers of his late teens, Levine served as assistant to Maestro Walter Susskind, who was then music director of the Aspen Festival.

Levine's direction of "Simon Boccanegra" was selected by the Cleveland Plain-Dealer as the outstanding musical event of the 1969-70 season.

Tickets are available from \$1.50 to \$7 at Powell Symphony Hall, 718 North Grand Blvd., JE 4-7000; the SIU-SW University Center; and the American National Bank, Granite City.

Dr. Tashma to Attend Contact Lens Meeting

Dr. Austin Tashma, a Granite City optometrist, will attend the 10th annual Heart of America Contact Lens Congress in Kansas City Feb. 13, 14 and 15. Some of the world's most eminent contact lens specialists will lecture at the meeting, including Dr. Theodore Grosvenor of Canada; Dr. and Mrs. Don Korb, who are doing contact lens research in this country; Dr. Maurice Posner, a nationally known contact lens expert; and Dr. Frank Dickinson and Dr. Norman Wallis, both of England.

\$177 Million Expansion by N&W Projects 17,700 Jobs

More than \$177 million of industrial expansion was accomplished along the Norfolk and Western Railway last year, the railroad announced this week.

James E. Carr, N&W vice president-industrial development, real estate and taxation, said the 138 new plants and expansions throughout the railroad's 14-state area will have an employment of nearly 7,700, and are expected to create approximately 37,000 additional jobs.

"When in full operation, the total 1970 industrial expansion program should mean some \$12 million annually in new gross revenues for the N&W," he said. Carr said industrial development activity last year continued despite a sagging general economy and "is indicative of the industrial potential which exists in our service area."

The N&W executive said present indications are that "1971 could see an industrial growth record on the N&W."

Virginia led the list in 1970 activity with 34 new and expanded industries with a planned investment of \$90 million, and employment of 2,200. Two industries, Rose Laboratories at Alta Vista, and United Iron and Metal in Bedford County, each announced projects that will exceed \$10 million. Other states which ranged high in industrial expansion along the N&W included:

Ohio, with 32 plants, a \$49.3 million investment, and employment of 2,100.
Indiana, with 21 plants, a \$28.1 million investment and employment of 960.
Illinois, with 17 plants, a \$6 million investment, and employment of 370.

Included among the new facilities are major manufacturing plants.

Industrial Management Courses Available

Foremen, managers and executives in the Greater St. Louis area are invited to enroll in any of 17 courses offered by the American Association of Industrial Management of Missouri, Inc.

The selection includes two new courses, designed to teach or upgrade managerial skills. They are "Effective Problem Solving" and "Creative Problem Solving." Other topics offered by AAIME include Supervisory Fundamentals, Training (J.I.T.), Economics, Management Principles, Labor Law, Accounting and Cost Control, Blueprint Reading and Inspection, Materials Handling, and Quality Control.

Courses meet weekly for two to three-hour sessions and run from six to ten weeks each. Lectures are supplemented liberally with professional management movies, slide films and flip chart presentations. Leaders are drawn from the management of well-known, successful industrial manufacturing firms and are skilled as professional training and development experts.

Any manager or industrial firm desiring information as to time, place and specific fee of any course is invited call the Association at Mission 4-4322 or appear at the Association headquarters, 2375 Hampton Ave.

Women's Cage Champs Vs. Coaches Wednesday

By VALERIE EVENEDEN
Press-Record Staff Writer
The colorful, sensational and
exciting All-American Red
Heads Basketball Team will be
in town Wednesday night for
a benefit performance at Gran-
ite City High School Memorial
Gymnasium, starting at 8 p.m.

The Red Heads, queens of
big time basketball and the un-
disputed world champion wom-
en's cage squad, will appear
under sponsorship of the Boost-
ers of the Fighting Warriors, an
adult organization dedicated to
promoting and encouraging ath-
letics at Granite City High School.

A great basketball attraction
wherever they perform, the Red
Heads will meet an "all-star"
lineup of Granite City coaches
drawn from the faculties of
Coolidge, Prather and Grigsby
Junior High Schools and the
senior high coaching staff, Tony
Melichar, Booster president, an-
nounced.

Tickets may be purchased at
the gymnasium from immedi-
ately before game time, at a
cost of \$2 per person.

Proceeds from the benefit
show will be contributed to a
fund to defray expenses in-
curred by the Booster Club in
constructing the press box fa-
cility at Granite City High School
athletic field and cost of
purchasing video tape equip-
ment for the GCHS coaching
staff, Melichar explained.

Expected to spark the Red
Heads usual superb perfor-
mance here is Charlotte
"Sweetie" Adams, 6 foot 1
super star of the championship
cage team.

Superb Player Star
Regarded by most as the
"greatest player" in girls'
basketball, Charlotte is a strong

and aggressive performer, ac-
cording to Red Heads Coach
Jack Moore of Caraway, Ark.
"Charlotte is a gifted athlete with a passion
for playing basketball, Char-
lotte is in her fifth year with
the All-American girl squad."

One of the most outstanding
scorers, she is a batter on de-
fense and her quick hands can
steal a pass before you can
blink an eye, the coach advised,
noting that her famous pivot
moves, maneuvers and routines
that score many baskets are
the experienced precision of
more than 1,000 professional
basketball games.

"Charlotte is a real crowd
pleaser and a master of the
hidden ball trick," Coach
Moore commented. "She is a
very delightful person, but has
a tremendous fervor for win-
ning ball games and has the
skill and poise to keep you
wondering where the ball is,"
he added.

Others in the Red Heads
starting lineup are Lois "Sugar
Bear" Glover of Somerville,
Tenn., whose "baiting" tactics
against referees is a trademark
of her performance.

Hookshot Artist
Pat "Watusi" DeRoche from
Louisiana, who plays forward
and guard; Emma Bartness, a
three-time All-State forward
from Harrisonburg, La., hook-
shot artist who also specializes
in a fade-away jump shot.

Cheryl Clark, 6 foot guard
from Wetmore, Mich., an ag-
gressive rebounder and one of
the team's top scorers; Carolyn
"Tigerbell" Reeves, 5'9" in-
guard from Gray Court, S.C., a
deft ballhandler and fine
outside shot.

Brenda Brooks, a 6 foot tall
Red Head recruited from the
Ozark area of Missouri who is
considered by Coach Moore to
be the team's top driver and a
clean outside shooter; and
Kathy McCall, the Red Head's
tallest and youngest performer
from Columbus, Ga., who stands
6 feet 7 inches and is projected
as a future super star by
Coach Moore.

Harmen to Coach
Combating the Red Heads on
the hardwood Wednesday night
will be a "hand-picked" squad
of local coaches, ably directed
by Dick Harmon, head coach
of cross country and tennis at
Granite City High School and an
assistant basketball coach, the
Booster president announced.

Senior High coaches sched-
uled to meet Moore's fabulous
Red Heads include: Don Deter-
ding, head basketball coach;
Don Miller, head track coach
and assistant football coach;
Charles Mizerski, assistant
track coach; Robert Stogemier,
assistant football coach;
Russell Chappell, as-
sistant football coach; Stan
Wojcik, assistant football and
assistant soccer coach and Tom
Wyrzytek, head soccer and as-
sistant football coach.

members will be Rick Williams,
head basketball coach and as-
sistant in football and baseball;
Larry Diak, assistant track and
baseball coach; Larry Carl, as-
sistant wrestling coach; and
Rick Marquis and Tim Van-
Hove, of the Coolidge faculty.

Grigsby players will include
Athletic Manager Richard Huff,
Ron Yates, head football and
assistant track coach; John
Skora, assistant football coach;
John Parker, head basketball
and head baseball coach; Boone
Chaney, assistant basketball
coach and Merlin Robinson,
head track coach and assistant
baseball coach.

Prather JHS representative
will be Maurice Hemphill, head
basketball coach and assistant
track coach; Lawrence Wil-
liams, head baseball coach and
assistant basketball coach; Vic-
tor Buehler, head track coach
and assistant football coach;
Albert Sonnenberg, head foot-
ball coach, assistant basketball
coach and athletic manager;
Eugene Gunderson, assistant
baseball coach; Dave Painter
of the Prather staff and Mike
Harmon, assistant basketball
and track coach at Central
Junior High School, who will
play with the Prather squad.

Contests are based on four
eight minute quarters with
coaches from the three junior
and one senior high school each
playing separate quarters, Mel-
ichar said. All games in which
Moore's All-American Red
Heads compete are played un-
der professional men's rules,
he noted.

Melichar said today that Keith
Parker, Coolidge Junior High
School head track coach and
assistant football coach, has
agreed to serve as a referee in
Wednesday's contest.

Coolidge Favored In City Tourney

The Coolidge Braves matmen
are favored to take the cham-
pionship trophy back from the
Grigsby Gators at the third an-
nual junior high school city
wrestling tournament tomorrow
evening in the Granite City
High School gymnasium.

The Braves and Gators will be
pitted against the Chiefs and
Prather in the triangular tour-
nament.
Wrestling is scheduled to be-
gin at 5:30 p.m. in the round-
robin tourney and the presen-
tation of the team trophy and in-
dividual championship ribbons
is expected to take place about
8:30 p.m.

The Granite City Warriors
had a "foul night" Saturday at
Edwardsville as they lost 67-
54.

The Warriors had 29 personal
fouls called against them which
resulted in 35 Tiger points.
"In 14 years of coaching this
is the first time I have seen
such discrepancies in fouls. Ed-
wardsville only had 13 called.
There were some bad calls and
I don't understand why," War-
rior Coach Donald Deterding
said.

GCHS led 17-15 after the first

quarter and 30-29 at the half,
but the Warriors in the sec-
ond quarter were called on for
20 fouls and they fell behind
44-40 at the end of the third
quarter.

The Warriors led in field
goals 25-16, hitting 52% of their
attempts, their best percentage
all season. Edwardsville hit
only 39% but led in free throws
by a lopsided 35-4.

Terry Ripka, Kevin Dyer,
Chuck Kraus and Bob Wiggins
all fouled out in the fourth
quarter.

Joe Wallace led the Warrior
scoring with 17 points.

Tiger freshman Greg Ahart
scored 27 points, making 11 of
13 attempts from the field.

DeRuntz Out of Action
"Mike DeRuntz was out of
both games over the weekend
with an injured ankle, and we
had no one who could step
into his shoes," said Deter-
ding.

Other Warriors scoring were
Ripka 14, Kraus 11, Wiggins
four and Gary Lively, Dan Bix-
ler, Rick Prehn and Dyer, two
each.

The Warriors now have a 14-
7 overall record and a 5-5 con-
ference mark.

This Saturday they travel to
Wood River for a conference
game beginning at 8:15 p.m.

Maroons in First Place
It was a different story here
Friday as the Warriors belted
East St. Louis 64-52. When the
weekend action had been com-
pleted, the Flyers—77-61 losers
to Belleville West Saturday—
had slumped to third place in
the Southwestern standings at
7-3, with West's Maroons first
at 11-1 and Alton second at 7-2.

East St. Louis has lost its
leading scorer, Doug Young,
who graduated at mid-year.
Jim Moton, 6-5 center, scored
17 points for the Flyers Friday
as they trailed GCHS 19-12,
24 and 51-33 at the quarters.

Warrior marksmen were Rip-
ka 21, Dyer, 17, Wallace 15,
Kraus eight and Wiggins, five.
Dyer's play was termed "ex-
cellent." GCHS was edged 23-
22 in field goals but enjoyed a
20-6 margin in free throws.

With DeRuntz having twisted
an ankle in practice early in
the week, GCHS started five
juniors and all sparked, both
on long shots and under-the-
basket maneuvering.

Speed Skater 1st in Meet In Minnesota

An 11-year-old Granite City boy won championship honors in the 10,000 Lakes Speed Skating Meet, held Saturday and yesterday on Lake Nakomis at Minneapolis, Minn.

Chris Brandt, son of Mr. and Mrs. Harry Brandt, 2809 Indiana Ave., captured two first place awards, breaking one record in the achieving victories, and earned second and third place awards in other events.

A speed skater with the Gateway Speed Skating Club of St. Louis, the local boy won a first place trophy in the one-sixth mile race shaving a full second from the previous record, a second in the 50-yard race, a second in the 440-yard event and a third place award in the 220 yard sprint.

3-Year Skater
Chris is a fifth grade pupil at Niedringhaus Grade School. He has been skating since the Watson Park rink pavilion opened three years ago, when he joined a Granite City Park District "learn to skate" program.

In his record-breaking achievement at the outdoor meet on Lake Nakomis, the youthful skater defeated the current national champion in his age class, David Porzuczel.

ski of St. Louis, who tied for second place.

Jimmy Chapin, also a member of the Gateway Club who has skated in programs here, placed second in the 440-yard race, third in the one-mile event and fourth in the three-quarter mile and one-sixth mile races.

Both Chris and the Chapin youth will compete at 6 p.m. Sunday in the Missouri State Championships, scheduled to take place at the Shaw Park rink in Clayton. The pair also is preparing for the National Indoor Championship Meet, to be held in Flint, Mich., next month.

A total of 36 youths from the U. S. and Canada was entered in four preliminary heats leading up to the final race, won by the Granite City skater.

Warrior Matmen Win 14th Conference Trophy

The Warriors matmen made it 14 years straight they won the annual Southwestern Conference wrestling tournament Saturday at Belleville, Mo.

Granite City won the meet to begin its winning streak in 1949, and then the tourney was discontinued until 1959. That year, the Warriors showed they still ruled the mats in the conference and have won it every year since.

GCHS accumulated 125 points, well ahead of second place Wood River's 80, Belleville had 77, Alton 36, East St. Louis 33, Edwardsville 11 and Collinsville 7. Granite City also led with seven champions, to two for

Edwardsville Falls To Grigsby Here

Grigsby wrestling Gators handsly defeated Edwardsville here, 37-13 Friday in their last meet of the season.

Tomorrow they will move in to the city tournament to defend their title against favored Coolidge and Prather.

Winners by pins Friday were Rudy Pyle (87), Phil Shands (119), Dave Warren (138), Mark Lucas (145) and Fred Trokey (heavyweight).

Winners by decisions were Bill Carr (98), Dennis Robertson (105), Mark Besta (126) and Al Platte (132). R. Martin (112) was a forfeit winner.

Bruce Lane of Wood River for the title.

Local championship bouts were Gary Loy (98), Kerry Johnson (112), Doug Wilson (126) and Rick Wickham (155). Taking third place was Charlie Mayfield (139).

Looking toward the district meet Friday and Saturday, Coach Bill Schmitt said, "We're not going to be overconfident, but this win sure helps."

SAINTS VS. SINNERS annual basketball game between members of the Knights of Columbus and area clergy is to benefit the Newman Foundations in state universities. In pre-game ceremonies Friday night at the Nameoki School gym, are, left to right, Rev. Martin Mangano, pastor of St. Joseph's Church, referee Jim Fuller and Jack Trittschuh. The Devil and Angel serving as escorts are Steve and Jackie Trittschuh. A standing room only crowd was on hand as more than 700 tickets were sold.

'Saints' Defeat 'Sinners'

49-37 in Benefit Cage Game

The "Saints" defeated the "Sinners" by a score of 49-37 in the third annual benefit basketball game Friday night in a standing-room only crowd at the Nameoki School Gym.

Sponsored by Tri-City Knights of Columbus Council 1098, the game pitted members of the clergy against K. of C. members. All gross proceeds will be contributed to Newman Foundations in public universities in Illinois.

Mike Schuler took game honors with 19, while topping the Saints were Rev. Daniel Flynn and Kevin Sullivan with 16 each. Others in the game for the Saints were Fathers John O'Connell with seven points,

Robert Becker and Larry Boehler, 3 points each, Martin Mangano 2, Jim Newman 1, and Sylvester Mick, George Morelock and Joe Haver. Others scoring for the Sinners were Al Haug and Dave Cruise, four each, Stephen Sattich and Mike Modrusak three each, Ed Dohal 2, Jack Trittschuh and Charles Parkinson 1 each, and Ed Lenz and Charles Thomas. Officials were Jim Fuller and Steve Schlotman. Coaches were John Korsog and Father Edward Groesch. Jim Stach was the scorer. Bob Bauman was the announcer and Fred Trittschuh was master of ceremonies. The Trittschuhs, Jack and Steve, were attired as a devil and an angel escorted the players to the floor.

From 250 to 300 persons attended a free dance at the K. of C. Club after the game, with dancing to the music of the Art Lavelle band. The music was provided through the courtesy of Musicians Local 717. John Trittschuh was chairman of the event.

Valentine Party Of Venice Club

Mrs. Melba Elgan, Mrs. Alice Mitchell, Mrs. Manie Ponce and Mrs. Sybil Robb entertained the Venice Women's Club with a St. Valentine party Friday night at the recreation building in Lee Park.

During the February meeting, it was announced that an auction sale will be held in March. Reports were given by the officers and business was transacted.

A luncheon was served by the hostesses from tables decorated in a Valentine theme.

Games and prizes were provided by the committee.

Members present in addition to those named were Mrs. Bernice Pace, Mrs. Rose Scaturro, Mrs. Nora McCord, Mrs. Mary Miller, Mrs. Rhea Buehler, Mrs. Josephine Johnson, Mrs. Margaret Seibert, Mrs. Ruth Ohlen-dorf, Mrs. Lula Kowalski, Mrs. Ruth Canner, Mrs. Jessie Foley, Mrs. Elsie Canner, Mrs. Viola Edmiston, Mrs. Alline Patterson, Mrs. Dorothy Koel-her, Mrs. Cecelia Warholff, Mrs. Clara Krause and Mrs. Madonnna Groshong.

Next regular meeting will be March 5. The entertainment committee will consist of Mrs. Ruth Canner, Mrs. Kowalski, Mrs. Edmiston and Mrs. Krause.

MISSIONARY SOCIETIES AT CEDAR VIEW MEET

A combination dinner and meeting was held Thursday in the Junior Department of Cedar View General Baptist Church for the Day and Night Missionary Societies of the church. In an attractive and colorful atmosphere of traditional red and white making up a Valentine's Day theme, dinner was served to 22 members and guests.

After dinner, Margaret Pithers related several light-hearted anecdotes as well as comments of a serious nature. Games were played and prizes were won by Faye Morris, Dorothy Greene and Betty Gozda.

During the program, the ladies were urged by Margaret Pithers to increase the quality of both societies as well as the quantity in such things as daily prayer for missions, daily Bible reading, love gift contributions, and continued attendance at the monthly meetings. A reminder was given of the One Day Missionary Convention to be held in April and also the obligation each lady has, as a part of the missionary society, to attend services on the World Day of Prayer scheduled in March.

The Spiritual Life chairman, Doris Hart, gave her devotional entitled "Love and the Heart." The Love Gift devotion was presented by Marion Riddle and the offering was taken up by Gladys Crump.

Ermylene Camren spoke for a

Mrs. Meadows Hosts WCTU Meet

Mrs. Ruth Johnston, director of the Social Service Department of the Women's Christian Temperance Union, was the principal speaker at a monthly meeting of the local organization Friday evening at the home of Mrs. Nannie Meadows, 208 Illinois Ave.

Mrs. Bethel Davis, president, who was in charge suggested that all sing "Back To God, Oh America," and "Blest Be The Tie That Binds" from WCTU song books.

The pledges to the flags were led by Mrs. Alice Bates, and Mrs. Pearl Campbell, Christian outreach director, and the minutes of the previous meeting

been hospitalized in St. Louis during the last several weeks and underwent surgery a week ago. He is reported recovering and in good condition.

Romine's withdrawal from the aldermanic race in the Fourth Ward leaves three candidates competing for that office. With the end of the withdrawal period, opposition for aldermanic posts in all seven Granite City wards was assured.

Democratic Chairman

Warfield gave no reason for his withdrawal. He is chairman of the Granite City Democratic Committee and a former 17-year employee of the Granite City Steel Co.

Those who will appear on the city election ballot as candidates for street superintendent include Clayton "Jug" Harrison, 2411 Grand Ave., Lionell A. Portell, 2840 Michigan Ave., Thomas Nesbitt, 2807 Warren, St.; and Dan Churuvich, 2832 Edwards St.

Three candidates have filed for the aldermanic post in Ward One, including Everett Morlen, 2068 E. 24th St., the incumbent. Also seeking the Ward One office are Eugene Burnett, 2243 Lee St., and Leroy Mangiaracino, 505 Kirkpatrick Homes St., now alderman of Ward Sam Whitmer, 2321 State.

2 Held in Death Of Taxi Driver Found in Venice

Missouri authorities are planning to proceed with prosecution in the death of Arthur Brown, 30, St. Louis taxicab driver found dead on the lawn of the New Salem Baptist Church, 208 Bremen Ave., Venice, Feb. 3. They believe his death was shot twice in the neck.

His billfold, with the money removed, was found on the McKinley Bridge. Those in the custody of St. Louis police since Thursday are William A. Jones Jr., 23, and Walter Valentine, 24, both of St. Louis.

Armed robbery warrants were issued against the two men Friday. Police alleged that Jones said he killed Mr. Brown early in Feb. 3, placed the body in the taxi's trunk and later dumped it in Venice.

Police said they recovered from Valentine a gun which ballistics tests indicated was used in the killing. Officers said Valentine told them he was with Jones at the time of the slaying.

The taxi was found in St. Louis 1 a'ter Feb. 3. There were blood stains on the front seat and in the trunk, police said.

Mr. Brown was the second Marcella Cab Co. driver killed since Jan. 19, in a lineup of suspects Friday Valentine was identified by eight recent robbery victims. Jones has admitted taking part in three robberies involving cab drivers, officers reported.

Think Seriously About Improving Your Present Home

It would cost a lot less money than buying a new one and selling the home in which you are now living. Your children wouldn't need to change schools or move away from old friends in their neighborhood.

Improve . . . don't move — has a lot going for it, especially when the money is readily available for a "fix-up" loan. Talk to us.

Four Area Couples Given Divorce Decrees

Four divorce decrees have been issued to area couples in Madison County Circuit Court. Divorced were:

Beverly Ann Clark of Venice from Charles Lyndon Clark of Granite City. They were married June 17, 1963, in Granite City, and separated last May 6. Cruelty was charged. Custody of six children was given to the mother, and the father was ordered to pay child support of \$10 per month per child.

Frances Wickham from Glenn Wickham, both of Granite City. They were married Aug. 31, 1952, in Springfield, Tenn., and separated July 7, 1969. Cruelty was charged. Custody of two children was given to the mother. The matter of support was reserved by the court.

Ray Brown of Venice from Roberta Brown. They were married Oct. 23, 1950, in Charleston, Mo., and separated last Aug. 20. Mental cruelty was charged. The father received custody of five children.

Olene Barrett from Donald R. Barrett of Granite City. They were married Feb. 14, 1957, and separated last Jan. 14. Mental cruelty was charged. Custody of one child was given to the mother. The matter of child support was reserved by the court.

Former Residents Parents of Daughter
Mr. and Mrs. John Sutherland of Rock Island, Ill., are announcing the birth of a daughter Feb. 4. The new arrival weighed seven pounds, three-fourth ounce.

Mrs. Sutherland will be remembered as Linda Willaredt, a daughter of Mr. and Mrs. Otto Willaredt of Davenport, Iowa, formerly of Granite City.

KEEN COMPETITION for roles in the East Bank Players' spring production, "Music Man," is evidenced by the eight singers shown auditioning for a barbershop quartet singing group. From left to right—Mike Tharp, Marvin Van Metre, Henry Lamb, Gene Cassy, Bob Anderson, Jack Butterfield and Harry Hillman. Seated at the piano is Mark Gifford, the Players' accompanist, while Gail Hamilos, musical director, cues the aspiring role-seekers.

Man Struck on Head, Treated at Hospital

Darrell Willis, 2701 Marshall Ave., reported at 3:47 a.m. Sunday that two unidentified assailants accosted him as he was leaving the home of a friend in the 2900 block of Washington Avenue.

Willis said one man struck him on the head with an object causing him to lapse into unconsciousness. He was taken to St. Elizabeth Hospital by ambulance and released after treatment.

John Kasper, 84, Dies In Hospital Here

John Kasper, 84, of 1934 Grand Ave., a resident of Granite City for 70 years, died at St. Elizabeth Hospital at 7 p.m. Friday following an illness of ten years. He had been a patient in the hospital two weeks.

Mr. Kasper was a native of Austria, moving to Granite City in 1900. He was a retired employee of Granite City Steel Co. and was a member of St. Joseph Catholic Church.

His wife, Mrs. Minnie Kasper, preceded him in death in 1955. He leaves three sisters, Mrs. Theresa Ferry of California, and Mrs. Anna Ziegler and Mrs. Elizabeth Oughlin, both of Granite City; and two brothers, Frank Kasper of Granite City and Joe Kasper of Chicago.

Funeral arrangements are given in today's obituary column.

Well-known songs from "The Music Man," include such numbers as — "Seventy-Six Trombones," "Lida Rose," "Till There Was You," "Rock Island Line," "Goodnight Ladies," and "Will I Ever Tell You."

The book, music and lyrics were written by Meredith Willson.

Prof. Hill sells them instruments and uniforms for the town band, but when a skeptical questions his method of teaching music, Harold then pitches harder and sells his revolutionary "think" system.

How the ladies of River City and in particular the town librarian transform him from a scheming con man into a responsible citizen is the basis of the colorful story.

Price Vice-Chairman Of Atom Energy Group

The Joint Committee on Atomic Energy held its 92nd meeting last week. The meeting was under the Chairmanship of Senator John O. Pastore, who was elected chairman by the Senate Select Committee on the Joint Committee for the 92nd Congress on Jan. 26, in accordance with section 203 of the Atomic Energy Act of 1954, as amended.

Sen. Pastore served as vice-chairman of the Joint Committee during the 87th, 88th and 89th Congresses. He served as chairman during the 90th and 91st Congresses. He was first appointed to the Joint Committee on Aug. 8, 1962.

Last week, the House Select Committee on Atomic Energy elected Congressman Melvin Price of this district as vice-chairman.

Price replaces Cong. Chet Holifield, who was in line to be vice-chairman. Holifield relinquished his seniority on the Joint Committee because of additional responsibility in the House as chairman of the House Government Operations Committee. However, he will continue to serve on the Joint Committee.

Price is a charter member of the Joint Committee and has served as chairman of the Joint Committee's Subcommittee on Research, Development and Radiation since 1955. Prior to that, he served as chairman of the Reactor Development Subcommittee.

Reservations Due for Cancer Society Ball

Persons who have not as yet received invitations to the first annual Mardi Gras Costume Ball, sponsored by and for the benefit of the American Cancer Society, Madison County Unit, are urged to call or write the Society's office at 1-465-7821—528 Henry St., Alton, or contact reservations chairman, Mrs. William Reydon, at 1-465-9461—1103 Washington Ave., Alton, Ill. 62002.

Mrs. Reydon said today that seating for the dance will be limited to 500 persons. "We are operating on a first come, first served basis," she explained.

Table reservations may be made by calling the ASC office of Mrs. Reydon, who noted that in addition to mixed tables, group reservations will be accepted for tables of 10 to 20 people.

The chairman pointed out that while the ball is billed as a costume Mardi Gras, costumes are optional.

Plan Hearing on New Levee Proposal

A crisis has arisen that will seriously affect the ecology and economy of the entire east side of southwestern Illinois, officers of Pride, Inc., believe.

A series of levees have been proposed to be built along the Mississippi and Missouri Rivers near their confluence (R-30—Earth City in St. Louis and L-15 in St. Charles County) by the U. S. Corps of Engineers, Kansas City office.

These proposed projects raise many questions and an informational meeting is being held for interested citizens in the Illinois of the Mississippi River to better understand the threats from this action, an organization spokesman said.

Municipal representatives from communities from East St. Louis to Hardin and the cities in between in addition to interested citizens have been invited to attend this informational meeting at 8 p.m., in the basement of the Vital Services Building, 117 W. Main, East Alton, Ill., Feb. 18. This building is located adjacent to the Municipal Building at the corner of Shamrock and Main Streets.

Pride, Inc., a beautification organization in the Alton Lake area, has become very concerned about some of the proposals now being considered. It is hoped at this meeting that the communities to be affected will be in a position to understand the serious questions that are raised by the proposed construction of levees. It is hoped that the ecology of the area will not be jeopardized by these questions will, in the near future, have to be answered by all these Illinois.

Market for Modular Homes Projected at \$10 Billion

The potential regional market for modular home manufacturers located in the St. Louis metropolitan area could reach next five years could reach upwards of \$10.4 billion based on the dollar value of an estimated demand for 768,000 housing units within a 300-mile radius of St. Louis, according to the latest market research report released by the St. Louis Regional Industrial Development Corporation (RIDC).

The report "Modular Home Manufacturing Opportunities in the St. Louis Bi-State Metropolitan Area" points out that 67 percent of this market potential is concentrated in the 28 metropolitan areas located within a 300-mile radius, with close to 7 percent of the region's total projected demand coming from the St. Louis metropolitan area alone.

"Transportation costs and the complex structure of the 'stick-built' housing industry itself are indicators that the modular home industry will, in all probability, develop in a number of areas throughout the country to serve a regional rather than a national market," D. Reid Ross, RIDC executive vice-president said in making the announcement. "The results of this study show that St. Louis is ideally located and has definite advantages for it to become a factory-built home manufacturing center to serve both the St. Louis market and the entire midwest area," he added.

The report states that the demand for housing in general and modular homes in particular is influenced by factors such as population level and growth, sex and age composition, marriages and household income. Other factors cited in the report include government expenditures in a given geographical area for military housing, recreational facilities in that area which will influence a demand for vacation homes, and community acceptance toward modular and factory constructed housing.

In presenting the locational advantages for modular home manufacturers in the St. Louis metropolitan region, the report points out that this area is well ahead of other metropolitan areas in terms of acceptance of factory constructed housing by local building trades. In February, 1970, local construction unions adopted a labor contract specifically for this industry.

The permits were obtained by J. W. Nolen, a brick house in Wellington Heights, \$25,000; Bob Decker, Rural Route One, erect a Pepsi-Cola sign, \$50; and Illinois Power Co., install an electric transformer pad, \$2,825.

Jack Clifford, director of the Madison County Building Department, reported that a total of 32 building permits were issued during January for building projects totaling \$4,488 in all unincorporated areas of the county. Twenty-seven of the permits were issued for construction of new dwellings at a total building value of \$487,800. Two permits were for construction of garages at a cost of \$4,083; two for business and commercial construction costing \$4,555, and one for an advertising sign to cost \$50. Fees received by the county totaled \$945.

7.8 Million Pupils Get Low-Cost Lunches

Initial estimates from state educational agencies indicate that the number of needy children eligible for free and reduced price lunches in the nearly 78,000 schools participating in the National School Lunch Program may total 7.8 million, according to the U. S. Department of Agriculture.

Some 5.5 million of them got free and reduced price lunches in November, while another 17.3 million children paid the regular price. The total of 23.4 million participants set a record for the lunch program. Preliminary indications are that some 6 million children received free and reduced price lunches in December, USDA's Food and Nutrition Service said.

The estimates of eligible children enrolled in NSLP schools were made last October, before the mandatory Jan. 1 full implementation of amendments enacted last May to the school lunch and child nutrition acts.

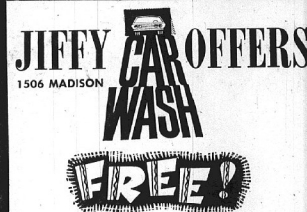

"These reports represent the first State and local experience in reporting children's eligibility for free and reduced price lunches, as required by the new legislation," Assistant Secretary of Agriculture Richard Lyng said.

Eileen Wolke Is Betrothed

Just announced is the engagement of Miss Eileen Wolke of Collinsville, and John J. Yobby, a son of Mr. and Mrs. Joseph Yobby, 2024 Iowa St. The bride-to-be is a daughter of Mr. and Mrs. Herman Wolke of Valley City, North Dakota.

Miss Wolke graduated from St. Catherine High School in Valley City, and Valley City State College. She is a member of Gamma Theta Upsilon sorority, and is presently employed as a teacher in Collinsville, Unit 10.

Her fiancé attended St. Joseph Parochial School, and graduated from Assumption High School in East St. Louis, and SIU-SW. He is an employee of the Granite City Steel Co. Plans are being made for an autumn wedding.

BRIDE-TO-BE. Miss Eileen Wolke who will wed John J. Yobby. The engagement of the couple is announced today.

St. John Guild Meets Thursday

An all day meeting of the Afternoon Guild of St. John United Church of Christ was held Thursday.

The members gathered at 9:30 to make supplies for the Hitz Memorial Home in Alhambra, and for a leper colony.

At the noon hour a pot luck luncheon was served to 38, including 16 Golden Age members who were seated at a special table and presented with copies of the painting "Christ At Heats Door," by Sallman.

The meeting opened with the devotional service led by Mrs. Marie Wille. The topic was "Love Is Patient."

Mrs. Marie Widows was in charge and announcement was made of the annual World Day of Prayer service to be held this year on March 5 at 7:30 p.m. at Hope Lutheran Church. The service is sponsored by Church Women United.

An invitation was read to a Mardi Gras luncheon at noon Feb. 23 at Concordia Lutheran Church, and the meeting closed with the ceremony of the Least Coin, the Lord's Prayer and a hymn.

Miss Mary Jane Castile Bride of George Heth

Miss Mary Jane Castile and George Heth III exchanged wedding vows in a 6 p.m. ceremony Saturday at Briarcliff Pentecostal Church.

The bride is a daughter of Mr. and Mrs. Willis Castile, 2012 Denver St. Mr. Heth's parents are Mr. and Mrs. George Heth Jr., 3022 Washington Ave.

Rev. Ross Smith performed the candlelight ceremony before a floral arch at the altar. White ribbon bows decked the pews.

"Entreat Me Not To Leave Thee," and "More" were the musical selections by Mrs. Tuffy Monse, soloist and organist.

The bride was given in marriage by her father. She wore

a gown with a full length tiered skirt of lace, a fitted bodice, a high scalloped collar and long full sleeves. Tiers of lace formed the cathedral train and a veil of illusion was secured with a Camelot headpiece. The bride held a teardrop bouquet of white carnations with a corsage center.

Miss Barbara Heth, the bridegroom's sister, was maid of honor, and Miss Rita Black served as bridesmaid. They were dressed alike in gowns of purple with velvet bodices and chiffon skirts over velvet. Veils matched the gowns and they carried arrangements of yellow chrysanthemums.

Daria McKenzie and David Patton served as flower girl and ring bearer. The former was dressed like the older attendants.

Fred Towse was best man and groomsmen and usher were Ronnie Castile, a brother of the bride, David Causey, and Mark Feldman.

The bride's mother was attired in a two-piece dress of brown and white, while the bridegroom's mother chose a white dress. Both wore carnation corsages tipped yellow and matching accessories.

The wedding reception was held at the Travelodge. After a honeymoon in Tennessee the newlyweds will live in, Granite City. The former Miss Castile, a 1970 graduate of the Granite City High School, is employed by Mercantile Trust Co., in St. Louis. Mr. Heth is in his senior year at SIU-SW.

The bride's aunt, Miss Robbie Castile, was in charge of the guest book at the reception.

HONORED AT CRADLE SHOWER

Mrs. Wanda Watson was guest of honor last week at a cradle shower given at the Briarcliff Pentecostal Church.

The hostesses were Sharon DePew, Carol Carey, Charlotte Charbonnier, and Sandy Watson.

Others present to whom refreshments were served were Irene Corey, Judy Mitchell, Janey Cornett, Sue Krug, Virginia Cole, Udell Myers, Irma Barmack, Ann Hodson, Phyllis Allen, Debbie Travis, Sheila Smith, Eliza Travis, Sandra Dickie, Roberta Darragh, Catherine Roja, Bobbie and Chip Fenolis, Jennie Bloodworth, Eva Smith, Marnie Crippen, Alice Cowgill, Norene Galvin, Dorothy Dickerson, Barbara Blanton, Edith Smallwood, Terry Verritt, Mary Akin, Grace Plaugher, Margaret Glasgow, Bertha Dix, Marcie Mitchell, Janet Grovett, Ruby Scott and Marilyn Watson.

MRS. JAMES G. TAYLOR, the former LaVern Prill. Her wedding was an event of Saturday at Sacred Heart Polish National Catholic Church in Madison.

LaVern Elizabeth Prill, James G. Taylor Wed

Sacred Heart Polish National Catholic Church in Madison was the scene of the wedding Saturday afternoon of Miss LaVern Elizabeth Prill and James G. Taylor.

The bride is a daughter of Mr. and Mrs. Laverne L. Prill, Route One. Mr. Taylor's parents are Mr. and Mrs. Sam P. Taylor, 2331 Beckwith Ave., Madison.

The Rev. Edwin Phillips officiated at the 2 o'clock ceremony before the altar decorated with white carnations and gladioli.

Mrs. Angelina Macios presided at the organ and accompanied the soloist, Mrs. Sophie Krinski, as she sang "Because," "Thou Art Mine," and "Whither Thou Goest."

The bride chose a gown of ivory organza with an Empire bodice of Venice lace, a high neck and long full Canelet sleeves tightly cuffed with lace. A removable Watteau train fell from a soft bow at the waistline into a full sweep. A profile of Venice lace secured a tiered veil of illusion and the bride carried a bouquet of white roses and baby breath.

Miss Diane Mills was maid of honor and Miss Terri Taylor, Miss Barbara Azart and Miss Deborah Hornberger served as bridesmaids. They were dressed alike in ruby red velvet gowns designed with white lace at the necklines and on the front of the bodices, with tiny covered buttons and white lace encircling the waistlines. Dark pink dupions and veils completed their costumes and they carried arrangements of pink carnations.

Little Mary Elizabeth Broadway and William J. Fedorchak III, were flower girl and ring bearer. The former was dressed like the older girls.

Mrs. Prill, mother of the bride, was attired in a mint green coat and dress ensemble and dark green accessories. The bridegroom's mother chose a white coat and dress of blue, white, yellow with accessories of blue.

Jimmy Button was best man for Mr. Taylor, and the list of groomsmen and ushers included Robert Prill, William J. Fedorchak Jr., Randy Shannon, Ronald Fedorchak and Winston McIlvay.

A reception was held in the evening at the VFW Hall. The newlyweds will make their home in St. Louis.

St. Peter United Guild Meets

The Afternoon Guild of St. Peter United Church of Christ met Thursday in Fellowship Hall of the church, attended by 32 members.

A dessert luncheon was served and Mrs. Esther Baumberger led the devotional service and presented the program, assisted by Mrs. Dorothy Baente. "Love Is Fruitful" was the topic for the day.

Mrs. Doris Anderson, president, was in charge during the business hour. Mrs. Kay Cornelison, ways and means chairman, announced plans completed for a booth of homemade articles at the annual sausage supper to be held Feb. 17, at 6:30 at the church; also an Ash dining room after the meeting.

SHRINE WILL HONOR PAST OFFICERS

Gabriel Shrine 78, White Shrine of Jerusalem, will meet Thursday Feb. 11 at 7:30 p.m. at the Masonic Temple.

Past officers of the Shrine are to be honored and there will be a Valentine party in the dining room after the meeting.

COTERIE WELCOMES NEW MEMBERS

The Ladies Coterie was entertained Thursday afternoon by Mrs. Henry George.

The meeting was held in the parlors of First Presbyterian Church, presided over by Mrs. Clarence Boettiger.

A 1 o'clock dessert course was served to 22 club members and a guest, Mrs. Ella Crabtree, and the group sang, "Illness," the state song, accompanied at the piano by Mrs. E. F. Reiske. Mrs. Boettiger welcomed two new members, Mrs. Merin Hiscott and Mrs. Marvin Eddington, the latter of Collinsville, and Mrs. A. C. Stoeber, program chairman for the day, entertained the group with slides and a narration of the Passion Play which she attended at Oberammergau in Bavaria while on a vacation trip the past summer.

The next meeting of the Coterie will be held at the church with Mrs. C. L. Louis as hostess.

Members attending included Mesdames Ione Neimeyer, Alma Cowan, Viola Thornsbury, Effie Vrenick, Virginia Carroll and granddaughter, Tamie Wroten; Ruth Gibbs, LuAnn Briner and daughter, Linda, Dorothy Wallace, Lucille Webb, Lucille Russell, Vivian Gulka, Marie Long and Nellie Jones of Steeleville, Ill.

COOKIES ARE SENT TO SOLDIERS IN VIETNAM

Women of the Church of Christ met Wednesday at the church for their weekly Bible lesson and to send their monthly gift package to Vietnam. The pastor, Philip Powers, gave the lesson on "Meditation" and announced that the group will not meet this week, as he will be attending a lecture meeting at Freed-Hardman College in Tennessee. Following the lesson, the ladies wrapped the 1,000 cookies they had brought to the meeting, and packaged them for shipment to Vietnam, where the treats are distributed by the Church of Christ to hospitalized servicemen.

Attending were Mesdames Velma Ashby, Ella Shelton, Velma Stethom, Mona Timmons, Pauline McDaniel, Vera LeMaster, Margaret Brumley, Beverly Seibert, Freddie Powell and Mildred West.

COMMUNITY ROLE TOPIC OF GRANITE CITY UNIT

Mrs. Virgil Travis welcomed members of the Granite City Unit, Madison County Homemakers Extension Association, to the Wednesday meeting held at Grace Baptist Church. The lesson, "The Homemakers' Role in the Community," dealing with the importance of civic participation and of concern for humanity, was led by Mrs. George Johannmeier and Mrs. F. G. Stephens.

Mrs. Charles Wade presented the health lesson, "Silencing the Invisible Pollution—Noise," telling how noise affects the heart, nerves, ears and sanity. Mrs. Willard Simpson gave highlights of a two-day state meeting at the University of Illinois, Urbana, Jan. 28 and 29, attended by seven members.

Subject of the meeting was "Our World in Our Hands." Announcements made included a new member tea March 30 in Edwardsville and the County Homemakers meeting April 29 at SIU-SW.

A report on the group's Voluntary Action Program was given by the first vice-president, Mrs. Frank Pare. She asked for volunteers to assist with a mobile food caravan.

Members were told of the Gardenaires garden club's six-week course on "Landscape Planting Your Home," which will be given every Tuesday from 9:30 a.m. to 11:30 a.m., March 2 through April 8, at the Granite City Public Library, Wayne Siefert, area coordinator for the University of Illinois, will be the instructor.

Mrs. A. Johannmeier provided games for the afternoon, and prizes were won by Mrs. Charles Wade and Mrs. Jesse Holmes. A dessert course was served by the hostesses, Mrs. Krause and Mrs. Charles Wade. The table was decorated in a Valentine motif with a centerpiece of hand-made red satin roses.

Other members attending were Mesdames Rufus Ramsey, Eugene Ozburn, Marshall McElroy, Richard Brinkhoff, David K. Schmidt, Richard Johnson, Albert Rowden, Clarence Schumacher, William Pissel, Ann North, Herbert Temple, Richard Nolan, Atha Taylor, Alex Lapinski, Vera Carey, Parents, Ray Bergschneider, Joseph Michels, Stanley Sleska, Paul Harshany, Joseph Mangiaracino and Francis Cease and Miss Mary Kastelic and a guest, Mrs. Jessie Holman.

The next meeting will feature Mrs. Catherine Mauck, who will give the program, "Accessories in the Home." Mrs. Michels and Mrs. Cease will be in charge of the health lesson, "Preventing Accidents in the Home."

Total registration at the annual state meeting was 712. Madison County received an engraved plaque for the highest net gain in members in the state. The plaque was accepted for the county by Mrs. Marshall McElroy county membership chairman.

Madison County also received a certificate for membership increase, as well as for tying for second place in attendance at the annual meeting. Macoupin County won first place by a margin of one.

Featured state speaker was Sallie Whelan, on Women Who Care. "The newspaperwoman is director of educational services for the Peoria Journal Star."

Special music was furnished by Champaign and Urbana schools. A highlight was "Musical Painting" by an artist, John Mostman.

The two voting delegates of the Madison County Council were Mrs. McElroy, second vice-president, and Mrs. Eugene Ozburn, county treasurer. Both are members of the Granite City Unit.

Other Granite City Unit members attending were Mrs. Travis, unit chairman, and Mesdames Johannmeier, Pare, Tempel and Simpson. Isabel Bevier Unit members who attended were Mrs. Clyde Wilson and Mrs. Martin Love.

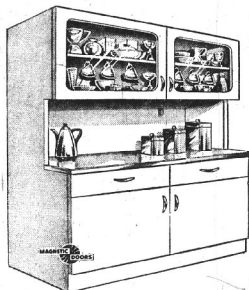

Auto, Train Collide
A car driven by Andrew Barnhart, St. Louis, collided with a Terminal Railroad Association engine on the McKinley Bridge near the west end of the superstructure at 3:20 p.m. Thursday.

Barnhart was eastbound on the western approach to the bridge when his auto struck the oncoming train. The train engineer was L. S. Miller, Edwardsville.

Police arrested Barnhart on charges of illegal transportation of alcoholic beverages. Barnhart was released after posting \$50 bond.

Miss Jacquelyn Wright Weds Randall Baldwin

Miss Jacquelyn Wright, daughter of Mr. and Mrs. Fred J. Wright, 1864 Third St., Madison, and Randall Robert Baldwin, son of Mr. and Mrs. Thomas P. Baldwin, 2431 Missouri Ave., were united in marriage Friday evening at 7 o'clock.

The Bethel Chapel Pentecostal Church, Granite City, was the scene of the double-ring ceremony, with Rev. Kenneth Brand officiating.

Traditional wedding music was played by the organist, Mrs. Don Stewart, who accompanied Miss Debbie Rich as she sang "True Love."

Mr. Wright, father of the bride, presented her in marriage.

She chose a Chantilly lace gown fashioned with high curled necktie etched with pearls. Long full sleeves were set in a scalloped bodice. Bands of scalloped lace bordered the long peau de soie skirt.

A full sweep train fell from the back waistline of lace and peau de soie. A profile of flowers and bows was secured to a tiered veil of bridal illusion. She carried a teardrop bouquet of white carnations and red roses.

Mrs. Robert Strong was matron of honor and bridesmaids were Miss Gwendolyn Wright, sister of the bride, and Mrs. Gilbert Dickey.

They were attired in red velvet Empire gowns trimmed in

white lace and red ribbons. Each carried a white wuff with red roses attached. White tur headpieces were worn.

Gilbert Dickey was best man for Mr. Baldwin, serving with Thomas H. Baldwin, brother of the groom, and Dale Dickey, groomsmen.

Gary Ellis and Danny Wright, brother of the bride, seated the guests.

Elizabeth Baldwin, the groom's niece, was flower girl. Tommy Baldwin, nephew of the groom, was ring bearer.

The flower girl wore a red velvet Empire gown trimmed in white lace matching those of the bridesmaids. She carried a basket of white carnations and red roses.

Another was in a blue-green swirl pattern dress. Each wore a white rose corsage.

The reception was held at Niedringhaus United Methodist Church.

The young couple will reside in Sedalia, Mo., after a honeymoon trip to Florida.

Mrs. Baldwin, the former Miss Wright, is a 1970 graduate of Madison High School and has been employed by the Southwestern Bell Telephone Co. Mr. Baldwin, a graduate of Granite City High School, is now serving in the U.S. Air Force.

OBSERVING PRESENTATION OF THE 1971 LACE award to Miss Jane Davis on left, standing, by Mrs. Susan Struggles, left, and on right, seated at left is Mrs. Bernice DeRousse, president of the Tri-Cities Chapter, The National Secretaries (Intl.) and at right, seated, Mrs. Helen Gantcheff, guest speaker.

Miss Jane Davis Wins Secretaries LACE Award

Miss Jane Davis, secretary to E. H. Schriever, General Steel Industries, Inc., St. Louis, was chosen by members of the Tri-Cities Chapter, The National Secretaries Association (Intl.) to receive this year's LACE award.

The award, which is original with the local chapter, but has been followed by other chapters in the Illinois Division since its inception in 1963, is decided by secret ballot and the winner is the member who has been in all chapter projects; Cooperative in all events; and enthusiastic about the National Secretaries Association in general and the Tri-Cities Chapter in particular.

Miss Davis is an 18-year employee of General Steel Industries, is a charter member of the chapter, being one of the original 16 members when it was formed in 1961. She has held the offices of treasurer and vice-president in 1965 when she earned the title of "Secretary of the Year" in the Tri-Cities Chapter.

Currently she is Executive Night committee chairman, and is a member of the bulletin and program committees. She is a daughter of Mrs. Dorothy Davis and the late Alfred Davis, 2438 East 26th St.

Previous LACE award winners were Mrs. Mary Sedekum, Mrs. Dorothy Sinovic, Mrs. Helen Gieselmeyer, Miss Twila Edmonds, Mrs. Charles Vanovic, Mrs. Bettie Davis, Mrs. Joy Augsburger and Mrs. Sunny Struggles.

Following the presentation and dinner Mrs. Helen Gantcheff, guest speaker, was introduced by Mrs. Struggles, program chairman, and the group was entertained with a talk on her three trips to Greece. Slides were shown of the more interesting places visited on the tours.

Mrs. Bernice DeRousse, president, was in charge at the business meeting which followed. As the educational part of the meeting, the members and guests were asked to answer questions about telephone equipment and telephone usage printed in the chapter bulletin which had been distributed earlier in the meeting. Answers were supplied by Dolores Bourisaw of the education committee.

A nominating committee was selected to prepare a slate of officers for 1971-72, and those named were Jane Davis, Twila Edmonds, Cleo Buttry, Dorothy Maley, and Peggy Moore.

Mrs. Marabeth McConnell, civic committee chairman, distributed literature and discussed the forthcoming meeting of all interested persons to be held March 6 in the Granite City High School cafeteria to discuss a meeting of the "Youth United For Action" group concerned with the future improvement of the community in the areas of government, ecology, housing, planning, education, and health.

Lou Hemming, reporting for the Home Service Committee, announced that with \$700.00 in the fund, construction has now begun on the 100-unit building complex of the NSA Retirement Center in Albuquerque, N.M. This Center is to be occupied by retired NSA members and also non-members who had been secretaries prior to their retirement.

The membership chairman, Twila Edmonds, urged all members to invite interested secretaries to the Chapter meeting and advised that the winner of the Membership contest would be announced in May. The contest ends in April.

Guests attending the dinner meetings included Mrs. L. B. Butler, and Mrs. Hazel Wood, United Steelworkers of America, Mrs. Mary Stevenson, Madison Metal Decorating Co.; and

Miss Marsha Kraus of the Bank of St. Louis.

The Service Committee chairman Jean Klemm and Dorothy Maley chose a Valentine theme, and the favors were Valentines attached to paper cups filled with red heart-shaped candy. The attendance prize was won by Mrs. DeRousse.

This year's Secretaries Week chairman, Dorothy Maley announced the dates as Sunday, April 18, through April 24. Plans for the week will be announced later. Frances Kuck and Marabeth McConnell will serve on the committee for the March 4 meeting.

Local secretaries wishing to attend the meeting may make reservations with Mrs. DeRousse or any NSA member. The program for the year will be on "Law," and one of the local attorneys will be guest speaker.

THETA THETA CHAPTER

DISCUSSES ECOLOGY

The Theta Theta Chapter of the Beta Sigma Phi sorority met Wednesday evening at the home of Mrs. Donna Spanberger. Mrs. Barbara Dickerson, vice-president, conducted the business session.

Mrs. Sharon Rush reported on various ways families can carry out ecology programs in their own homes. A letter from a state caseworker was read by Mrs. Barbara Dickerson, thanking the sorority for clothing sent to a family at Christmas.

Mrs. Mary Baker, chairman of a candy sale, announced that the supply should be here by March 1. All proceeds of the fund project will go toward the chapter's charitable activities.

Plans were completed to send a donation to the March of Dimes. The next meeting will be held at the Illinois Power office Feb. 17, and the program will include a demonstration of a micro-wave oven.

The hostess served a dessert course to those named and Mesdames Sharon Best, Donna Spanberger, Pat Pfaff, Linda Pickett and Cookie Spanberger.

Obstacles to Better Community Can Be Overcome Through United Progress Action by All Segments

(Report by G. H. Sternberg Sr. at the last annual Chamber of Commerce meeting on the community's You-Nited for Action "Congress of Community Progress" to be held March 8 at Granite City High School)

I appreciate the opportunity to present an outline of an exciting action program of community improvement that will completely eclipse any similar effort of the past if given cooperative effort from the various segments of our community represented here tonight.

The key words of the program are two... you, in united, with some poetic license taken in the spelling... action, in You-Nited for Action.

You in the slogan means the group I'm talking about right now, plus all other interested members of the groups represented here. The action in the slogan is the doing that successful programs must have, following the planning and the praying.

Seldom, if ever, in the Tri-Cities has there come together a group with a broader base of judgment or ability than surrounds us in this room.

We have governmental representatives of state, county, township, city, state and federal. Heavy and light industry leadership is here. We have labor leaders and labor rank and file.

We have mercantile and service business operators and employees. We have representatives of all the professions—medicine, law, legal, educational, ministerial. The leaders and the employees of our financial institutions are here.

Our humanitarian organizations are well represented. We have a fine group of young people and some outstanding senior citizens. We have the professional woman, the business woman and the housewife.

All these have been brought together by design to be in at the beginning of You-Nited for Action.

And, as certainly as rain falls down and grass grows up, so one in this audience about now is saying, "I'm hum... one more ineffectual windbag trying to draw a crowd and prepares to beat once more the long-dreaded horse of community improvement in the Tri-Cities."

Well, the horse is out of place this time. Success has come to communities larger and smaller than ours, with greater obstacles to overcome than those that exist here. It can come to us. Let me illustrate with a story.

Ruthie and I have been privileged to travel a couple hundred thousand miles in the last two years on behalf of do-gooders and their efforts. We were buoyed up by the good we saw and beaten down by the bad.

We were exhilarated by the positively productive efforts of men and women of skill and determination and deflated by the negative efforts of the selfish, the dishonest, the apathetic.

But, as we put all the witnessed efforts together, the trend toward good was overwhelming. The trend toward bad was grossly outweighed and greatly outweighed.

There are clearly more men and women of skill and integrity than there are selfish, dishonest, apathetic bumps in any road to improvement.

All of the individual efforts we saw, one stuck with us best as an example of effort overcoming adversity. This is the story I'd like to tell you. It is the story of Puerto Rico and the Puerto Rican.

Puerto Rico is at the edge of the Caribbean Sea, a sentinel in the sea lanes of the Panama Canal. It is approximately 100 miles away by 35 miles the other, a land with almost no natural resources other than its people and the will of those people.

A small percentage of the fish off its banks is poor. Though island people, the Puerto Ricans have never been seafaring world travelers.

Their lot in history has been the question of whether or not the political power is rather than the political power.

Yet they are making gratifying improvements in their lot in education, in housing and in the overall standard of living.

The program of the better life for the Puerto Rican has got off the ground in 1940 when the newly elected political leader, Luis Munoz Marin, said, "It is true we lack the political power to help ourselves."

"It is true that, even if we had great political power, we would still lack the natural resources with which to improve our lives."

"But it is also true that never in our history, have we, consciously and with full determination, set out to do the very best we can with the powers and resources we do have. Let us try that and see what happens."

Quality of Illinois Legislature Exceeded Only by Those of Two Most Populous States

Ranked third best overall in comparison with all other legislatures by the Citizens Conference on State Legislatures, the Illinois General Assembly ranks as 17th best in function of legislative efficiency, 13th in representativeness, sixth in information available to legislators, fourth in accountability to the public and second in independence from the executive branch and lobbyists.

Despite the high compliment which has been paid to legislators of this state, undoubtedly they will wish to scan the list of recommendations for further improvement.

Proposals include strengthening the minority party role in each house, establishing a Washington office to help assure adequate representation of state interests in the federal government, reducing the number of House of Representatives members from 177 to 100, reorganizing House committees from 23 to 15 so that legislative deliberation can become more manageable, and providing space for private legislative offices.

Illinois' high ranking seems even more impressive in view of the rating of some of the nearby states' legislatures. Wisconsin is fifth and Iowa sixth, but Kentucky is 31st, Missouri 35th and Indiana 40th.

The complete ranking consists of, in order, California, New York, Illinois, Florida, Wisconsin, Iowa, Hawaii, Michigan, Nebraska, Minnesota, New Mexico, Alaska, Nevada, Oklahoma, Illinois, Ohio, South Dakota, Virginia, Washington, Maryland, Pennsylvania, North Dakota, Kansas, Connecticut, West Virginia, Tennessee, Oregon, Colorado, Massachusetts, Maine, Kentucky, New Jersey, Louisiana, Mississippi, Missouri, Rhode Island, Vermont, Texas, New Hampshire, Indiana, Montana, Mississippi, Arizona, South Carolina, Georgia, Arkansas, North Carolina, Delaware, Wyoming and Alabama.

Illinois received particular praise for its rapid progress since 1965, creation of the Commission on Organization of the General Assembly, the switch from biennial to annual sessions, the "unusual degree" of legislative openness and accessibility to the public and its study of state resources and review of state programs.

The high score given Illinois is especially pleasing in that it is the first time that the volume of bills introduced and passed but with the quality of the lawmaking research and deliberations.

Chance for All to Spotlight Problems and Suggest Steps Needed to Achieve Remedies

Nearly everyone has his own ideas about what needs remedying in his home community and what should be done to change it for the better. The March Congress of Community Progress offers a unique opportunity for all Quad-Cities to cite problems and suggest solutions.

Action categories chosen for the "you-nited" effort, which will be carried out by youth, labor, the professions, business and government, are six fields of considerable impact—health, ecology, housing, planning, education and government.

The chance to transform information and thoughts into tangible, effective action is one which should not be missed. The most possible participation—by people of all ages, occupation and viewpoints—is being invited and encouraged.

Young Err in Calling Government Source of All Wisdom, Blessings

By JOHN S. KNIGHT Detroit Free Press

I always enjoy hearing from young people and especially from those who are deeply concerned over America's future. One such is Joseph Kasimer, a junior at Yale University majoring in political science.

Mr. Kasimer, who is a member of the Yale University chapter of the Young Men's Christian Association, says that the "capitalist system has brought modern western society, and particularly the United States, to the point of economic and material progress in the last 100 years."

But he disagrees with the social impact of capitalism. He says, "The basic principle of capitalism," because "competition inherently forms two factions—winners and losers."

"Theoretically," avers Kasimer, "through the free give and take between business and consumer, between management and labor, between manufacturer and distributor, a consensus will emerge beneficial to the society as a whole."

In essence, Mr. Kasimer says, "For the victors there is profit, fame, power. But for the losers, there is poverty, unemployment, old age pensions, farm subsidies and tariffs as examples of 'moral corruption.'"

Then comes the main thrust of Mr. Kasimer's position: "What the young basically want is a government which is not a government, but a society which is not a society, but a moral society."

"A society without moral values," he says, "will eventually be torn apart by its internal contradictions, and the burden must fall on government to create a moral society."

In my talks with college and university students, I find that Mr. Kasimer's views accurately reflect large segments of undergraduate thought. But not all, I might add.

What concerns me is that a young man, endowed with a liberal education at a leading university, might hold to the position that government is the fountain from which all wisdom and morality are caused.

Mr. Kasimer's abiding faith in government as an instrument of morality is hardly supported by the record. For it is government which has caused the tragedy of Vietnam, a war which more young people than ever are caused by a change in buying habits.

Several experiments in black capitalism, of which I am familiar, failed because the blacks preferred to patronize the more glamorous supermartins.

No, Mr. Kasimer, we cannot solve the social and other questions you have in mind by agreeing upon a common denominator of life for all men.

Unless, of course, we emulate Castro's Cuba where Fidel is the sole arbiter as he claims to be "protecting the general welfare" of the Cuban people. The result? All losers, no winners.

Typical Carbondale Disrupter Was Well-to-Do, from Northern Illinois

By PETE BROWN Southern Illinois University News Service

As a result of campus disruptions that closed down Southern Illinois University, Carbondale, for awhile last spring, 323 students were charged by civil authorities with breaking city or state laws.

Of those, 106 were convicted in the courts and 186 were disciplined by SIU for violating the university disciplinary code. The remaining charges were dropped after 120 after due process hearings.

Another 37 left the campus or otherwise unheeded from. They will be unable to register at SIU again unless they show up for judicial hearings.

The wrap-up is at hand on those brought to bar and it shows that the 186 disciplined by SIU were not also guilty of a crime. The average fine for civil violations was \$12,000, compared to \$9,000 for the parents of the average SIU student.

Item: Only 19% of the 186 were financially self-supporting. The average for all students is 28%.

Item: Only 47% of the violators were receiving any kind of financial aid during the spring quarter. During that same quarter, 80% of all students were getting some assistance.

Item: SIU draws 40% of its undergraduate students from the seven counties that cradle

Chicago. But 80% of the students arrested and/or disciplined were from that area. Six violators came from other states.

Item: Only one black student was among the 186. Says the report, "There was little or no participation on the part of the university's black students in the May disruptions."

Item: SIU was not a true nationwide last May, the SIU students charged with law or code violations were not below average, academically. In fact, they had slightly higher grade averages than the "mean" for all students.

Under federal and Illinois law, students fully convicted of serious crimes against their school, teachers or fellow students are cut off from most state and federal financial aid programs. Thirteen SIU students lost such support for varying lengths of time.

The report says the May cases overlapped the traditional boundaries of disciplinary jurisdiction in which civil authorities are accorded jurisdiction over criminal conduct and criminal authorities handle the academic violations.

SIU sanctions in this case, said the report, were imposed on "nonacademic conduct which (interfered) with the educational endeavors of the university."

All Have Right to Legal Counsel From Moment They Are Arrested

(Tri-City and Illinois Bar Associations)

Approximately half the cases on the Southern Illinois University calendar are devoted to the interpretation of various provisions of the Bill of Rights (the first ten amendments to the United States Constitution).

A cornerstone of the American judicial system is the right to the Sixth Amendment. It provides, "In all criminal prosecutions, the accused shall enjoy the right to have assistance of counsel for his defense."

The right to a lawyer is not a luxury. It is a right guaranteed by the Illinois Constitution and the U.S. Constitution. It means that every person accused of a crime has the right to have a lawyer defend him in the courts.

Whether a person is accused person or a defendant, whether rich or poor, or a chance for a fair trial. Even highly intelligent, educated persons are not skilled enough in the science of the law to defend themselves.

The layman is unfamiliar with legal rules and, therefore, lacks the ability to establish his innocence. To protect the rights of the individual, the state established the Public Defender's Office.

If a person accused of a crime punishable by a jail sentence is unable to pay for an attorney, the public defender, the court must provide a lawyer for him. Usually this is the public defender.

Each Illinois County with a population of 35,000 or more is required to maintain a public defender. Further, any two or more adjoining counties within the same judicial circuit may create, by joint resolution, a common office.

All public defenders are duly licensed attorneys and their salaries are paid from the county treasury. A public defender fees as an attorney—without fee—for all persons charged with

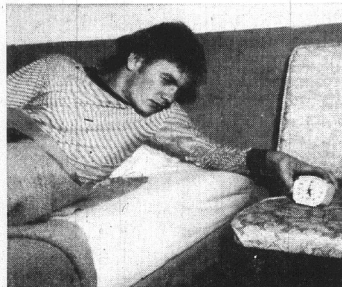

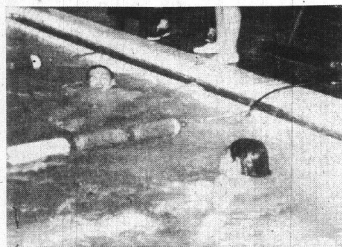

50 Years Ago FEBRUARY 8, 1921 Bert Hodges an 'Arresting' Mayor

Three men and two women were arrested by Mayor Bert Hodges at 22nd Street and Washington Avenue, where the mayor discovered that one of the women was being held at gunpoint and there was bleeding from an arm wound. An auto which the five had occupied was standing nearby and the mayor forced his prisoners into the machine and took them to police headquarters.

25 Years Ago FEBRUARY 8, 1946 Funds Approved for Canal Project

A War Department civil functions bill containing \$2½ million to the construction of the proposed Chain of Rocks canal has passed the U. S. House of Representatives. First step in construction of the \$16½ million canal will be the erection of a bridge over U. S. Highway 66 two miles east of the present Chain of Rocks Bridge. An estimated cost of \$1 million.

The Day Starts at 5 a.m. for Members Of the "Y" Swim Team; Care to Join?

At 5 a.m. alarm clocks in a lot of homes start ringing and the 80 members of the YMCA Swim Team get ready for morning practice.

The team, which competes in AAU meets throughout the country, has been coached by Fred McCollegan, a local barber, for six of the last eight years. From 1966 to 1968 McCollegan served in the Army and many members of the squad swam for East St. Louis, but now most of them have returned to again swim for their "old coach."

Practice starts at 6 a.m. daily at the YMCA and extra sessions are held Monday, Wednesday, Saturday and Sunday evenings. Each member averages 2,500 yards of timed swimming in each session, but the swimmers do not seem to mind as attendance at each practice has been "just fantastic," according to McCollegan.

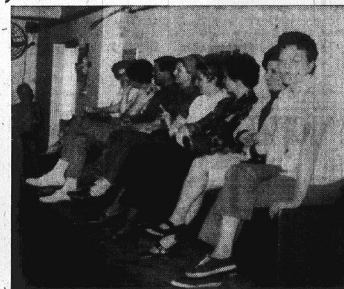

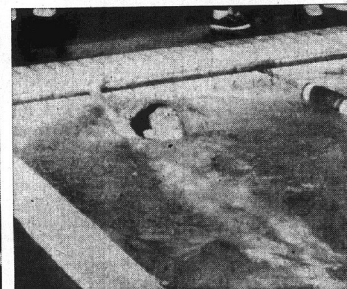

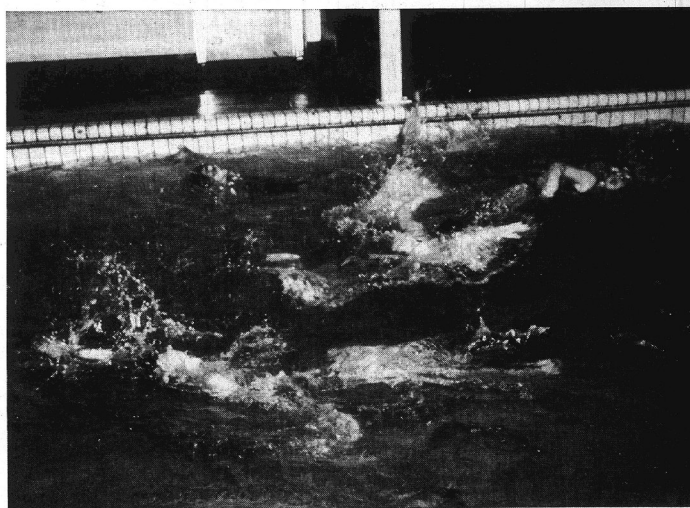

The team has not fared well in dual meets (it takes about five years to put together a good dual meet team, according to the coach), but in tournaments, many of them are literally "throwing water" on their opponents.

"We would like to have about 150 or 175 members on the squad, and we especially need girls 15 and older," McCollegan said. Last year there were only 36 regular members on the team.

Anyone from 6 to 18 years of age is welcome to join. All they need is a desire to work and learn, the coach said.

THE YMCA SWIM TEAM, upper right, represents Granite City in tournaments and meets throughout the country. Photos, clockwise from the team picture, portray daily activities. Debbie Griffin is caught in mid-air during a team relay race. In the next photo, four swimmers splash furiously to beat the clock, and each other. Parents of the swimmers, appear for practices as well as meets. In the next scene, Paddy Baggot displays her back stroke form. At bottom left, team members are shown relaxing before a tough meet. It was still dark outside at 5:35 a.m. when the carpool of swimmers in the next photo arrived at the YMCA for morning practice, and, Scott Loftus and Gayle Schuenke show in adjoining scenes what it feels like to get up about 5 a.m. to swim. Scott Loftus' back stroke was a race winner in the following photo and Mark Bueger's breast stroke, last photo, has won him many ribbons and honors.

Self-Help Suggestions Given for icy Driving

Chief of Police Ronald J. Veizer reminded Granite City area drivers today that good police services include motorist assistance in an emergency.

"The officers of this department stand ready to help as best we can," Chief Veizer asserted, "but to expect officers to use their car to pull you out when you slid into a ditch is above and beyond the call of duty."

"We can call for help," the chief suggested, "but a little 'self-help' in advance and on the part of the motorist can go a long way toward avoiding stalled cars, dead batteries or 'skid wrecks.'"

"Self-Help" Suggestions: If you have some "self-help" suggestions, based on recommendations from the National Safety Council's Committee on Winter Driving Hazards and endorsed by the International Association of Chiefs of Police:

1. That makes it through the rest of the winter is most likely a well-tuned car - points, plugs, timing and a waterpump electrical system hooked to a lively battery. Have the job done by a qualified mechanic. And include, also, an inspection and adjustment of the brakes.

2. Check the radiator and windshield washer for proper antifreeze.

Charged With Threats Against State Trooper

A Collinsville man was charged with attempting to elude police officers, aggravated assault and having no firearm owner's identification card after he allegedly threatened a state police trooper with a pistol on Route 203 south of Madison at 10:25 p.m. Thursday.

State Trooper John Lybarger said he stopped the truck of David R. Kirkpatrick, 44, of Collinsville, in front of the Moto service station on Route 203 just south of Madison, and told Kirkpatrick to wait in the truck while he called Madison police to inform them of the arrest.

While Lybarger was in the squad car, he reported, Kirkpatrick drove away, southbound on Route 203. Lybarger stopped Kirkpatrick again in front of the Gateway Truck Stop on Route 203. When the officer again approached the truck, Kirkpatrick allegedly displayed a .35 caliber automatic pistol and threatened the officer, authorities said.

Lybarger remained behind the squad car until two Madison officers arrived. The three policemen took Kirkpatrick into custody.

Kirkpatrick was taken before Magistrate Billy Jones in Belleville Friday morning, and bond was set at \$5,000.

Raymond L. Revelle Dies Here at Age 66

Raymond L. Revelle, 66, of 3121 W. 20th St., died in St. Elizabeth Hospital at 10:15 a.m. Friday. He had been ill for the past year and a patient in the hospital three months.

Mr. Revelle was a retired employee of the former Dow Chemical Co. firm at Venice, where he was employed 15 years.

He was born in Advance, Mo., and lived in Granite City 30 years. He was a member of the Briarcliff Pentecostal Church.

He is survived by his widow, Mrs. Norma Revelle; three daughters, Mrs. Robert (Glen) Brase of Florissant, Mo., Mrs. Elmer (Doris) Monroe of Granite City, and Mrs. Donald (Judy) Bush, also of Granite City, and a son, William of Granite City.

Also surviving are two sisters, Mrs. Mary Linbaugh of Advance, Mo., and Mrs. Cora Samples of Tulsa, Okla.; one brother, Roy Revelle of Poplar Bluff, Mo., and 12 grandchildren.

Funeral services were to be held today. Details are given in the obituary column.

Goal of \$50,000 Set in Illinois Metro-East Drive

A goal of \$50,000 has been set in a drive for industrial development in Madison and St. Clair Counties.

The drive is being conducted by Illinois Metro-East, a non-profit corporation, as part of an expansion program. The organization has been in existence for several years, but has consisted entirely of volunteers. Purpose of the fund drive is to hire an executive director and a staff to direct an expanded program.

Edwardsville businessman Arnold Cassens, president of the group, said, "We think the time is ripe for an Illinois-based industrial development drive. Population growth, highway development, and the proposed new major airport all are favorable factors. But coordinated efforts and favorable public relations are vitally needed."

Priority Objectives
One of the top priority efforts of the proposed professional staff would be to achieve a speedy action on airport site selection and development. It would also organize programs for industrial development in connection with the airport.

Illinois Metro-East also hopes to achieve the necessary stature to represent the interests of the Illinois counties in matters affecting the whole metropolitan area. For example, he said, the group could work to see that Metro-East gets maximum benefit from proposed mass transit plans.

The organization's main contribution to industrial development so far has been in research and in public information. It has published the first maps showing industrial sites currently available in St. Clair and Madison Counties and has produced other maps showing where various utilities are available. Reports also have been made on port facilities and industrial parks.

It also puts out a bi-monthly report on industrial development in the Metro-East area. This publication, stressing positive news developments, goes to 5,000 readers throughout the metropolitan area and the United States. It also prepares a weekly radio report on economic development which is heard over station WSTU-FM, the Southern Illinois University station. The report also is available to area news media.

Chairman of the financial drive is Arthur C. Boeker of Edwardsville. Other members of the drive are: Nick Maggos, Alton; Theodore F. Gundlach and B. J. Hantle, Belleville; James Sweeney, Collinsville; Leo Dastmann, Edwardsville; William C. Boyne, East St. Louis; and Carl E. Mathias and Harold R. Fischer, Granite City. Fischer is a former president of the organization.

Pollution Control Expert To Be Shrine Speaker
Gerald M. Marks, an authority on pollution, will talk at the third of this season's Speakers Series dinner meeting sponsored by the Layman's Foundation of the Shrine of Our Lady of the Snows 7 p.m. at Augustine's Restaurant in Belleville Tuesday, Feb. 16.

His subject will be "Politics in Pollution—The Perilous Paradox." Information about or reservations for this dinner meeting may be obtained by writing or calling the Layman's Foundation, Shrine of Our Lady of the Snows, Belleville, phone: (618) 233-2238 or 397-6700.

Leaves Crash Scene
Charles Warrenburg, 224 E. 25th St., told police that a hit and run motorist struck his auto in the intersection of Monroe and 22nd Streets at 10:15 p.m. Thursday. He said the other driver stopped after the collision, got out of the auto, looked at the crash damage, returned to the car and drove away.

SIU-SW Graduate Gets Soloist Role in France

Baritone John Seabury, who received his master's degree in music last June at Southern Illinois University-Southwestern leaves for Paris Feb. 19 to begin rehearsals for an appearance with the French National Orchestra.

Seabury will sing the solo part for bass baritone in Nick Maggos, Alton; Theodore F. Gundlach and B. J. Hantle, Belleville; James Sweeney, Collinsville; Leo Dastmann, Edwardsville; William C. Boyne, East St. Louis; and Carl E. Mathias and Harold R. Fischer, Granite City. Fischer is a former president of the organization.
